Company Profile

## ■ **About** ***TOPAY EXPRESS***

Welcome to Topay Express, where precision meets efficiency. Established in 2011, Topay Express has grown into a leader in supply chain solutions. Delivering to **19,000** pincode across all India.

We ensure your goods are delivered safely,  
on time, and with the utmost care.

# HOW TOPAY EXPRESS WORKS

Topay Express, established in 2011, revolutionizes the logistics industry by enabling small business owners to profit without any upfront investment in delivery services. This unique platform eliminates the need for prepaid amounts, allowing entrepreneurs of any type to access comprehensive parcel delivery services across India without financial risk. By simply following easy steps on the Topay Express app or website, users can effortlessly create a Logistics Receipt (LR) and book their shipments. Our streamlined process ensures a hassle-free experience, allowing business owners to focus on their core operations while we handle the logistics. Once their parcels are delivered, they can seamlessly withdraw their earnings, making it a truly rewarding experience with no initial investment required. Topay Express empowers small businesses to expand their reach and maximize their profits through our efficient and cost-effective logistics solutions.

# Our Mission

To deliver exceptional logistics solutions through cutting-edge technology, dedicated customer service, and an unwavering commitment to quality .

We aim to be the backbone of our clients' supply chains, fostering growth and success through seamless operations.

# Our Vision

To revolutionize the logistics industry by setting new standards for reliability, customer satisfaction, and sustainability.

# Core Values

- **Flexibility:** We adapt to the unique needs of each client, providing customized solutions that enhance efficiency and reduce costs.
- **Reliability:** We ensure your goods are delivered safely and on time, every time.
- **Innovation:** We embrace new technologies and methodologies to continually improve our services and offer cutting-edge solutions.
- **Sustainability:** We are committed to eco-friendly practices, reducing our carbon footprint through optimized logistics operations.
- **Customer Focus:** Our clients' satisfaction is our top priority. We listen, understand, and exceed their expectations.

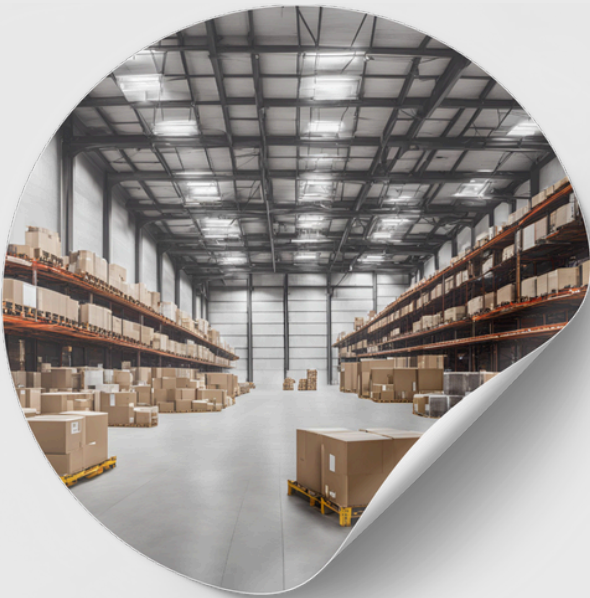

We Value You.

# Part-Load Freight Solutions

Our core offering, part-load freight solutions, allows businesses to share transportation costs by consolidating shipments. This service is ideal for companies looking to optimize their supply chain without the need for full truckloads.

## Warehousing and Consolidation

Topay Express operates advanced warehousing facilities designed to efficiently manage part-load consignments. Our consolidation services ensure that your goods are handled with care and are ready for timely distribution.

# Customized Logistics Solutions

We understand that no two businesses are the same. Our team works closely with clients to develop tailored logistics strategies that address their specific needs and challenges.

## Last-Mile Delivery

Our last-mile delivery service ensures your products reach their final destination quickly and efficiently. We offer flexible delivery schedules and real-time tracking for complete peace of mind.

# Technology Driven Operations

We leverage the latest technology to streamline our operations, providing real-time tracking, automated notifications, and comprehensive data analytics to enhance transparency and efficiency.

## Pan-India Free Door To Door Pickup

Experience seamless logistics with our Door-to-Door Pickup service, ensuring your shipments are picked up from your doorstep and delivered directly to the recipient's location.

# Empowering B2B and B2C Commerce & Cross Border Shipments

Leveraging advanced technology and robust global networks, our company excels in navigating the complexities of cross-border trade for both B2B and B2C clients. We provide seamless, end-to-end solutions that ensure efficient customs clearance, real-time tracking, and optimized last-mile delivery. Our expertise in regulatory compliance and strategic partnerships across international markets enables businesses to expand effortlessly, reduce costs, and enhance customer satisfaction, driving growth and competitiveness on a global scale.

# Global Reach

With a strong network of partners and a presence in key markets worldwide,

Topay Express offers global reach with local expertise. Whether you're shipping domestically or internationally, we have the resources and knowledge to manage your part-load logistics needs.

Thank You  
For Going The Profile.
